PREFACE

THIS interesting collection of Gold Coins of the World was formed by a private collector in France before the last World War. The range of coins is very comprehensive, and the standard of condition generally high.

In the European series there is a particularly good group of French coins, and the following coins are noteworthy as being of particular rarity:

U.S.A.	50-Dollars, 1852
Aquitaine	Edward the Black Prince, Hardi d'or
British Trade Dollar, 1900	
Montenegro	100-Perpera, 1910
Lithuania	10-Ducats, 1622
Vatican	4-Scudi d'oro of Innocent XII
China	1-Tael of Kuang Hsu
France	Masse d'or of Philip IV

COIN CATALOGUES

On the average we issue twelve Coin Catalogues each year, some of which are usually of sales of important collections.

CATALOGUE SUBSCRIPTIONS

PRE-SALE CATALOGUES, frequently illustrated, are normally posted to subscribers about three weeks prior to the date of Sale.

PRICED CATALOGUES (not illustrated) are issued after each Sale with the prices realised printed in the margin opposite each Lot, thus giving at a glance a reliable guide to values. The final test of value must always be auction prices rather than the figures given in books of reference, for changing times and fashions soon render the latter obsolete and misleading.

The Priced Catalogues are posted to subscribers as soon as ready, usually about three weeks after the date of Sale.

Subscription Rates

(*commencing from* 1*st January*)

Pre-Sale Coin Catalogues ..... 10s. 0d. per annum

Priced „ „ ..... 30s. 0d. „ „

(Pro rata reductions for new subscribers commencing after 1st January)

All subscriptions expire on 31st December, and renewal reminders are issued. Catalogues of past Sales cannot be supplied.

AIR MAIL

To allow subscribers resident outside Europe time to submit postal bids, Pre-Sale Catalogues will, if desired, be sent by Air Mail. Air Mail postage is not, however, included in the Subscription Rate and must be borne by the subscriber. In such cases an additional £1 should be sent as a deposit and we will advise when this is exhausted.
